

Hastings-on-Hudson
Conservation Commission Meeting
January 12, 2016
notes

CC members attending:

Kerry-Jane King
Sharon Kivowitz
Haven Colgate
Ron Cascone
Jean Hamerman
Elisa Zazzera

Public attending

Sabine Reicht
Tim Downey
Patrick Bell

Solarize Update:

600 requests between DF & HoH for appraisal of PV
20 residents have signed contracts
State load offer ends end of January
Commercial buildings on different schedule
Workshop in Dobbs Wednesday 13th

Pipeline resolution:

Edited version has been sent to all CC members. All should review & send comments or their approval ASAP. Need to get this to BOT by next meeting - 1/19

Tree Board:

Tim Downey submitted outline of suggested mission. In brief more coordination between boards, village staff and outside vendors - i.e. ConEd. Also suggest a fee for anyone who removes trees from their property. This update on mission was spared by recent round of ConEd tree trimming. Tim will present this to BOT at the next meeting 1/19

Vine Squad:

Has been approved by 'Adopt a Highway'. Covering the stretch of Farragut from SMRP to High Street. Lop season is in full swing. Last Saturday (1/09) had a large group of APs students and adults at the Chemka Pool parking lot. Freed many trees. Next lop on Saturday 1/23 at Chemka Pool parking lot.

Green Building Code:

Sharon Kivowitz working with HoH Building Inspector, Christine Griffin & Doug Alligood to address items that have proved problematic/difficult to adhere

to.

Community Choice Aggregation has been passed by BOT

Textile Bins:

Still awaiting response from Village Attorney as to protocol to install bins at DPW yard & other public places in HoH.

Next CC meeting February 9th.
