

WHAT YOU CAN DO

It's simple. Spread the Be SMART message. Talk to your friends and family about the importance of responsible gun storage, and get the word out in your community. Volunteers all over the country are available to deliver a 20-minute presentation entitled "Be SMART: A conversation about kids, guns and safety" to local groups and organizations. **Visit BeSMARTforKids.org to learn more and get involved.**

When it comes to kids' safety, we're all in this together!

OUR STORY

The Be SMART Campaign

Moms Demand Action for Gun Sense in America launched the Be SMART campaign to take action to promote responsible gun ownership and reduce child gun deaths. The campaign focuses on education and awareness about child gun deaths and responsible gun storage. Moms encourage parents and caretakers to "Be SMART" and take these five simple steps to help prevent shootings by children: **S**ecure all guns in your home and vehicles; **M**odel responsible behavior around guns; **A**sk about the presence of unsecured guns in other homes; **R**ecognize the risks of teen suicide; **T**ell your peers to be SMART. For more information visit BeSMARTforKids.org.

Moms Demand Action for Gun Sense in America

Moms Demand Action for Gun Sense in America is a grassroots movement of American mothers fighting for public safety measures that respect the Second Amendment and protect people from gun violence. Moms Demand Action campaigns for new and stronger solutions to lax gun laws and loopholes that jeopardize the safety of our children and families. Since its inception after the tragedy at Sandy Hook School, Moms Demand Action has established a chapter in every state of the country and, along with Mayors Against Illegal Guns and the Everytown Survivor Network, it is part of Everytown for Gun Safety, the largest gun violence prevention organization in the country with more than three million supporters and more than 100,000 donors. BE SMART

Each year in the United States, at least 100 children aged 17 and under die in unintentional shootings, and over 400 die by suicide with a gun. We have the power to prevent tragedies like these from happening.

Moms Demand Action for Gun Sense in America has developed the SMART framework to help parents and adults prevent child gun deaths and injuries. Together, we can protect kids.

Secure all guns in your home and vehicles

Model responsible behavior around guns

Ask about the presence of unsecured guns in other homes

Recognize the risks of teen suicide

Tell your peers to be SMART

SAFETY IS ALWAYS AN ADULT RESPONSIBILITY

Kids will be kids. They won't always make smart decisions about their own safety. Always assume that curious or impulsive kids may find and touch an unsecured gun, even if they've been told not to.

If a child handles a gun, a bad decision can quickly become a fatal one. SMART adults protect kids by storing guns locked, unloaded and separately from ammunition, and by making sure children are never in the presence of unsecured guns.

- 1.7 million American children live in homes with guns that are both loaded and unlocked.
- More than one in five adults with firearms in the home reported that their children had not handled the gun were contradicted by their children.
- Around 100 children 17 and under die each year in unintentional shootings.
- Every year more than 400 children 17 and under die by suicide with a gun.
- SMART adults can protect vulnerable kids by storing guns locked, unloaded and separately from ammunition, and taking steps to make sure children never get unauthorized access to unsecured guns.
