Chief David Dosin, PD
Alan Gold
Mike Gunther, DPW
Bob Wilt

The September 21, 2023 meeting minutes were approved.

Agenda Items:

1. *Review of Handicap Space – Maple Avenue*

Discussions ensued about a proposed location for a handicapped space. Superintendent Gunther noted that that a spot must have handicapped van access. Pictures of an area on the Northwest side of Maple Avenue were reviewed. It was determined that the northwestern most side of Maple would be an appropriate site for the parking spot. Superintendent Gunther advised two standard spots would need to be sacrificed in order to make one handicapped van accessible spot. A motion was made to propose the site agreed upon for the new handicapped spot to the Board of Trustees.

2. *Review Rosedale Avenue Parking*

This is an ongoing topic of discussion. There was a recommendation made to have no parking on the east side of Rosedale Avenue going from Mt. Hope to Merrill Street during School hours.

3. *Lane Sign at 5 Corners*

The Village did not authorize the new sign at 5 corners. It was discussed that the new traffic flow was not ideal and it was determined to remove the sign from the location.
