TRANSPORTATION WORKING GROUP  
REGULAR MEETING  
SEPTEMBER 13, 2016**

A regular meeting was held by the Transportation Working Group on Tuesday, September 13, 2016 at 7:00 p.m. in the Hastings Public Library.

**PRESENT:** Jeanette Sawyer Cohen (Chair), Samantha Wilt, Dan Sbrega, Matt Hobby, Jim Nolan, Mary McDonald (Safety Committee member)

**MEMBERS OF THE PUBLIC:** One (1)

Approval of minutes

The June 28 regular meeting minutes were approved with the July 26 regular meeting minutes at the meeting.

Ravensdale/9A intersection update

Jeanette took us through the highlights of Richard's discussion with the Town Board. And mentioned we are awaiting comments.

Neighborhood Captains

We discussed whether to recruit neighborhood captains. We agreed it's a good idea and will put a question in the survey to identify volunteers.

Community Survey Discussion

Jeanette discussed need for more time before the next meeting to find the right survey software, perhaps with a map function that people can identify trouble spots. After discussion the group agreed that a mapping function would probably be too complicated for respondents. We reviewed a draft version of the survey. A nearly completed survey will be presented at the next meeting.

Fall Event

Discussed timing for fall community event. Sometime in the near future we will feel better about ascertaining a date.

Public Comments

There was a request from a member of the public to avoid any mention of religion from transportation committee writing, referencing the Ravensdale/9A suggestions.

Next meeting

The next regular meeting will be held on September 29, 2016.

**ADJOURNMENT**

The Chair adjourned the regular meeting at 9:00 p.m.
