The Village has finished renegotiating a Consent Decree with Riverkeeper and BP Arco. This legal document will affect the waterfront and the village in many ways:

- What the future shoreline will look like
- How much land will be set aside for open space
- What are the restrictions on the land
- The future of the water tower and Building 52
- The future of Quarry Park
- And much more

This is an important and exciting step in progress on the waterfront and will have immediate impacts on the village.

Please come to a briefing on this document this Thursday, 7PM at the Community Center.

In attendance will be the Mayor, Riverkeeper, and BP Arco.
