GRADES 1ST THRU 8TH

HASTINGS DAY CAMP
2020

JUNE 29, THRU JULY 31, 2020

Welcome to the Hastings Day Camp 2020. We are all very excited about this upcoming camp season. Camp will be taking place at Hastings High School. Camp begins June 29th and ends July 31st. Camp will start at 9:00 am and will end at 3:00 pm. Campers may be dropped off between 8:45 am- 9:00am and pick-up is between 2:45pm-3:00pm. Both drop off and pick up will take place in the Cochran Gym. Any late campers should report to the Camp office with a parent or guardian. If a parent wishes to pick up their child early from camp, they should call the camp office beforehand, and expect to pick up their child in the camp office.

We encourage parents to take time with their child before camp to discuss the issue of sharing any type of food with any other camper due to the increase in food allergies.

Hastings Day Camp follows the same policy as Hastings School regarding all health policies.

Below are suggestions and guidelines for what your child should bring to camp:

- A backpack
- A towel
- Snack and Lunch (use your own discretion when packing campers lunch because refrigeration is not available)
- Refillable water bottle
- Bathing suit (campers should come to camp with their bathing suit underneath their clothes to maximize swim time)
- All campers' belongings should be labeled with their full name
- Children should bring a note signed by a parent regarding any changes to their daily routine such as pick-up

Below is a list of items that should **not** be brought to camp.

- Pets (parents should refrain from bringing pets during drop off and pick up)
- Jewelry
- Money
- Electronic Devices
- Campers should keep valuable belongings at home. **Camp is not responsible for any lost items at camp.**

CAMP PHILOSOPHY:

The Hastings Camp program provides participants with a wide range of activities, each varying depending on the camp. We like to provide participants with experiences and activities which will allow for development of each camper's growth, maturity, and to improve the quality of life through creative and constructive use of leisure time. The Recreation Department believes that every resident should have the opportunity to benefit from our programs. Financial assistance is available to qualifying individuals for more information please contact the Superintendent Aaron Podhurst via e-mail apodhurst@hastingsgov.org or 914-478-2380 Ext 640 The underlying goal of Hastings day camp programs is to provide the children of our community with a safe, healthful, stimulating, and enjoyable summer camp experience.

We will strive to:

- Provide the finest adult and young adult role models for campers to identify with and relate to.
- Provide exciting, fun and memorable recreational, educational, and social activities for each camper.
- Instill a sense of self-assurance and confidence in each camper through the use of active participation and positive involvement in a variety of leisure time pursuits.
- Stimulate friendships and break down barriers that tend to isolate children, inhibit creativity and undermine confidence.
- Help each camper acquire new skills and interests as well as provide them with opportunities to improve existing skills.
- Make every child feel safe, accepted, and worthwhile.
- Make every child feel safe, accepted, and worthwhile.

SWIMMING LEVELS

SWIMMING: All Hillside campers will receive swim lessons from WSI's (Water Safety Instructors) at the Chemka Pool. Lessons will take place in the morning hours. According to the Department of Health, each camper must be assigned a swim classification. Each camper who has not previously attended the Day camp will be tested during the first week of camp to determine their swim classification. The classifications are Non-Swimmer, Beginner, and Swimmer (Descriptions can be found below). These classifications will be used for swim lesson groups as well as free swim time.

Non-Swimmer is a camper who is unable to demonstrate to the staff that they can swim from one side of the shallow end to the other end without stopping. Non-Swimmers **MUST** remain with a counselor at a ratio of 1 counselor to 3 non-swimmers. These campers may only swim in the shallow end and must wear a bracelet.

Beginner is a camper who can successfully demonstrate to the staff that they can swim from one end of the shallow end to the other without stopping. Beginners do not have to be accompanied directly by their counselor but must remain in the shallow end of the pool.

Swimmer is a camper, who can successfully demonstrate the ability to swim two laps without stopping in the middle of a lap and can tread water for one minute. When treading water campers may not touch the wall and must keep their head above water during the minute. These campers are allowed in the deep water and throughout the pool, provided that a counselor is that area of the pool.

BUDDY CHECKS: We are mandated by the Board of Health to implement a buddy system. This Buddy System is the only way to ascertain the accountability of a swimmer. As mentioned above each camper is assigned swim ability. Each morning every camper is assigned a buddy with the same swim ability. The pool staff performs a buddy check when the camp group enters the pool, then every 15 minutes thereafter. When the group leaves the pool, a final buddy check is performed, prior to them returning to camp. It is the camper's responsibility to report to his or her counselor if his or her buddy is missing. These buddies must swim together in the same pool area. If one buddy leaves the pool, the other must leave as well. In the event, when a buddy check is done, a camper is missing, the waterfront director will put the "Lost Swimmer Plan" into action.

LUNCH/SNACK

Each camper must bring lunch and snack labeled with their name and group. Refrigerators are NOT available to keep lunches cool. Please do not pack things that will spoil (ex. Mayonnaise) Some suggestions for keeping lunches cool are as follows:

- ✓ Freeze or refrigerate lunch the night before
- ✓ Freeze the drink, which will act as cooler

HEALTH DEPARTMENT INFORMATION:

The Westchester County Health Department requires that all parents be informed that:

- A) All camps are licensed by the Westchester County Health Department.
- B) Camps are to be inspected at least twice a camp season.
- C) Additional information may be obtained at the Westchester County Health

Further information may be obtained by calling the Recreation Dept. at 478-2380

If your child is diagnosed with Lice; camp policy is that the child, they must stay out of camp until there are no traces of Nits. The camp follows a NO NIT policy. They will not be able to return to camp until the medical director has cleared them.

EARLY DISMISSAL: If your child needs to be dismissed from camp early, a signed note from the parent/guardian must be brought to your child's head counselor. The note should include your child's name (first & last), group number & what time they will be leaving. The child **MUST** be signed out in the office by the parent or guardian; therefore, children **MUST** be picked up in the Camp Office.

LOST AND FOUND: The Lost & Found box is located in the Camp Office. If your child has misplaced something, please stop in the office and check the box. To avoid lost articles, please **LABEL EVERYTHING** that your child brings to camp. If an item is found, the item will be held aside for your child.

BEHAVIOR POLICY: The Hastings Camp Programs uphold the highest standard of behavior in our campers. If a child is misbehaving, the following is our Discipline Policy:

1st incident: Child is spoken to and given a 1 - 5 min. timeout; Incident is brought to the attention of the director. Incident is logged in Daily Log.

2nd incident: Child is spoken to and given a 5 - 10 min. timeout. Parents are notified of the situation.

3rd incident: Incident is brought to the Senior Recreation Leaders attention. Senior Recreation Leader will contact parent. Incident is logged in Daily Log.

4th incident: Child is suspended from camp for 1 day or until problem is resolved.
