

Climate Smart Communities Task Force

Meeting Minutes

December 3, 2019

In attendance: Andrew Welch, Haven Colgate (Conservation Commission liaison), Spencer Weart (Energy Working Group liaison), Mary Lambert, Mohit Chandra, Jean Hamerman, Niki Armacost (Mayor), Joe Cerratani (CSC Coordinator).

I. Prior Minutes

- Approved Meeting Minutes from prior 3 meetings
- Approved Letter of Support for Hastings tree grant application.

II. Announcements and Updates

- Anjali provided an update on the Safe Routes to School initiative
- Mary and Niki provided details on ICLEI meeting with Kale and their tool called Temperate: Adaptation Planning Companion software. This tool will allow the Village to complete a comprehensive vulnerability assessment. Research on the software tool is being done to determine if it makes sense to purchase the tool from ICLEI.

III. Bronze Submission

- The Task Force is on track to submit for CSC bronze certification by the January 10th, 2020 deadline.
- Andrew led a review of over 40 actions and relevant documents completed by the Group for Bronze Submission.
- Action items and follow-up action owners were noted.
