License Regulations

6 NYCRR Part 175

ECL 11-0515 (1)

6 NYCRR Part 189

LICENSE TO COLLECT OR POSSESS: SCIENTIFIC - LICENSE CONDITIONS

1. Hastings-on-Hudson – Authorized Species The licensee and/or designated agents are authorized to capture, possess, and release up to sixty (60) female white-tailed deer (WTD) for the purpose of tagging and injected with porcine zona pellucida contraceptive.

2. Hastings-on-Hudson – Authorized Trapping Techniques The licensee and/or designated agents are authorized to capture WTD using drop nets and remote chemical immobilization using dart syringes.

3. Hastings-on-Hudson – Authorized Bait The licensee and/or designated agents are authorized to bait WTD using whole kernel corn or apples provided that:

- i) bait is not placed more than five (5) days prior to any capture attempts
- ii) bait shall not contain any animal proteins; and
- iii) bait shall be removed immediately upon completion or suspension of activities.

4. Hastings-on-Hudson – Authorized Location The licensee and/or designated agents are authorized to capture WTD at the following locations only: public and private lands within the Village of Hastings-on-Hudson, Westchester County, NY with permission of the property owner.

5. Hastings-on-Hudson – Capture of Male WTD The licensee and/or designated agents may capture and temporarily possess up to five (5) male WTD for purposes of tagging. All captured male WTD shall be released at the site of capture.

6. Scientific Collection - LCP - Collection of Endangered or Threatened Species Prohibited The licensee shall not collect or possess any endangered/threatened species pursuant to this license.

7. Hastings-on-Hudson – Veterinarian Requirement A New York State licensed veterinarian must be present or on call at all times when capture procedures are underway.

8. Hastings-on-Hudson – Federal and State Licensing Requirements The licensee and/or designated agents shall possess a valid U.S. Drug Enforcement Administration license and, if required, a valid NYSDOH (<http://www.health.ny.gov/professionals/narcotic/license>) when using controlled drugs pursuant to this license.

9. Hastings-on-Hudson – Supervision of Sedated WTD Sedated deer shall not be left unsupervised on the landscape to recover. The licensee or his or her designated agents shall remain with post-operative sedated deer until the animals fully recover and they are ambulatory. Reversal agents shall be given when reversible anesthetic drugs are administered to minimize recovery time.

10. Hastings-on-Hudson – Mandatory Marking of WTD Sedated with Telazol/Xylazine and Ketamine The veterinarian or designated agents shall permanently mark all WTD sedated with Telazol/Xylazine and Ketamine with numbered ear tags stating the phone number of the veterinarian

NEW YORK STATE DEPARTMENT OF ENVIRONMENTAL CONSERVATION

License to Collect or Possess: Scientific # 1356

and a warning prohibiting the consumption of the meat from the WTD.

11. Hastings-on-Hudson – Mandatory Euthanasia of non-releasable WTD The veterinarian shall euthanize any WTD that is injured and found to be unable to survive in the wild.

12. Hastings-on-Hudson– Release of WTD The licensee or designated agents shall release captured WTD only within the Village of Hastings-on-Hudson, with the permission of the landowner.

13. Hastings-on-Hudson – Disposal of Carcasses The carcasses of any WTD with anesthetic drugs or euthanasia agents in their tissues shall be deemed unfit for human consumption and disposed of in a manner that prevents secondary toxicity to scavengers.

14. Hastings-on-Hudson – Mandatory Maintenance of Veterinary/Medical Reports The licensee or designated agent shall prepare and maintain a veterinary report/medical record of each WTD captured including drug protocol and dosage used, total anesthesia time, age of the animal, recovery time, any complications and ear tag number.

15. Hastings-on-Hudson – Mandatory Notification of Death or Euthanization of WTD The licensee or designated agent shall notify the Regional Wildlife Manager in Region 3 or his designee by phone (845-256-3098) or email (takerpez@gw.dec.state.ny.us) within 24 hours of any WTD that were euthanized or died due to handling, and surrender said deer to the Department of Environmental Conservation upon request.

16. Scientific Collection - Authority to Designate Agents The licensee is authorized to designate agents to assist the licensee with the listed animals while conducting activities authorized pursuant to this license provided that:

a. the licensee submits a written request to the NYSDEC Special Licenses Unit at the address listed on the front of this license containing the:

- i) name
- ii) address
- iii) age
- iv) phone number of the person he or she is nominating as a designated agent, and;

b. the licensee receives an amended license from the Special Licenses Unit listing the designated agents he or she has nominated before that person can conduct activities authorized by this license.

17. Authorized Designated Agents The following Designated Agents are authorized: Allen Rutberg, Ricky Naugle, Dr. Lester Sills and individuals officially employed by and under the direct supervision of any of these agents.

18. Hastings-on-Hudson – Mandatory Notification of Regional Wildlife Manager The licensee shall notify Mr. Ted Kerpez, Regional Wildlife Manager, New Paltz, NY by phone (845-256-3098) or email (takerpez@gw.dec.state.ny.us) within 48 hours of any planned field activities associated with the implementation of this permit. Mr. Kerpez or his designees may observe any and all field operations conducted pursuant to this permit by notifying the licensee or designated agent within 24 hours of planned field operations.

19. Hastings-on-Hudson – Reporting Requirements The licensee shall file a written annual report prior to May 31st of each year the license is effective. Such annual report shall contain: a) name of the licensee, b)

NEW YORK STATE DEPARTMENT OF ENVIRONMENTAL CONSERVATION

License to Collect or Possess: Scientific # 1356

license number, c) location(s) of collection, d) date(s) of collection, e) number of WTD collected (by age and gender), f) biological data collected g) final disposition of collected animals, h) copy of the veterinary report/medical record, i) any technical or scientific reports or analyses produced by the licensee as a product of the aforementioned authorized activities, and j) a summary of all impact studies conducted in accordance with the applicant's study proposal dated November 4, 2013. The licensee shall send this report to the NYSDEC Special Licenses Unit 625 Broadway, Albany, NY 12233-4752, and to the DEC Regional Wildlife Manager in New Paltz.

GENERAL CONDITIONS - Apply to ALL Authorized Licenses

1. GC – Licensee Shall Read All Conditions The licensee shall read all license conditions prior to conducting any activities authorized pursuant to this license.

2. GC – License is Not Transferrable This license is not transferrable and is valid only for the person identified as the licensee.

3. GC – Licensee Responsible for Federal, State or Local Permits/Licenses The licensee is responsible for obtaining any and all necessary, corresponding Federal, State or local permits or licenses prior to conducting any activity authorized pursuant to this license.

4. GC – Reasons for Revocation This license may be revoked for any of the following reasons:

- i. licensee provided materially false or inaccurate statements in his or her application, supporting documentation or on required reports;
- ii. failure by the licensee to comply with any terms or conditions of this license;
- iii. licensee exceeds the scope of the purpose or activities described in his or her application for this license;
- iv. licensee fails to comply with any provisions of the NYS Environmental Conservation Law, any other State or Federal laws or regulations of the department directly related to the licensed activity;
- v. licensee submits a check, money order or voucher for this license or application for this license that is subsequently returned to the department for insufficient funds or nonpayment after the license has been issued.

5. GC – Licensee Shall Carry Copy of License The licensee shall carry a copy of this license or a document provided by the department, if relevant, when conducting activities pursuant to this license.

6. GC – Licensee Shall Notify of Change of Address The licensee shall notify the Special Licenses Unit in writing, by mail or email, within five (5) days of the official change of residence.

7. GC – Licensee is Liable for Designated Agents If designated agents are authorized pursuant to this license, the licensee shall be liable and responsible for any activities conducted by designated agents pursuant to this license or any actions by designated agents resulting from activities authorized by this license.

8. GC – Licensee Renewal The licensee shall submit a written request for the renewal of this license prior to the expiration date listed on the license. The licensee shall include accurate and complete copies of any required reports with their renewal request. This renewal paperwork shall be sent to:
