Recreation Department
in Conjunction with

Middle School STEM Class
Grades 5th-8th

MONDAYS: 3:30-4:30PM

JANUARY 9TH, 23RD, 30TH, FEBRUARY 6TH, 13TH, 27TH
\$185

JAMES HARMON COMMUNITY CENTER

Engineers will get to work on the most basic challenge of engineering: getting things to stand strong! Bridges, buildings, domes & more. Students should grab their hardhats to bring creative learning and fun to this hands-on, high action class.
