

THE VILLAGE OF HASTINGS ON HUDSON
RECREATION DEPARTMENT

SUMMER AT THE GARDENS II

Summer at the Gardens is back for a second session! This program is designed for children grades 1 – 4. Children will garden and dig-in as a community in shared plots. In the second summer session, student gardeners will be able to work with a garden in bloom and ready for harvest. Activities will include regular garden maintenance, harvesting practices, and exploration in how to prepare for the fall season, when most crops finish. Student gardeners will work to plant crops that are fall-friendly and ready for harvest in September/October. Hosted at the Zinsser Gardens, this children's program will consist of six one-hour Saturday morning sessions starting in July and ending in August. The program will be led by our very own, very talented community gardeners.

Session Dates:

July 14, 21, 28

August 4, 11, 18,

9:00 – 10:00am

Limit: 12

Fee: \$60.00 per student
