

Village of Hastings-on-Hudson

Safety Council

September 18, 2018

The Safety Council held a regular meeting on Thursday, September 18, 2018, at 7:00 p.m. in the Conference Room of the Hastings-on-Hudson Municipal Building.

Present: Greg Bassman, Chairperson
Anthony Visalli, Chief of Police
Michael Gunther, Superintendent of Public Works
Robert Wilt, Council Member
Alan Golds, Council Member
Stan Avedon, Council Member
Three (3) residents were in attendance

Absent: Martin Gunther, Fire Chief

1. Removal of handicap parking space on Marble Terrace

Handicap space was added about 20 years ago at the request of the residents. Unfortunately, the resident using the spot has since passed away. A request came from the residents of Marble Terrace, no objections. Unanimously in favor of removing handicap spot; will send information to the DOT.

2. Update on Transportation Working Group Projects

The Transportation Working Group (TWG) met all summer and came up with several suggestions, but original proposal was voted against. Other suggestions included speed bumps on James, but Fire Chief did not approve. Signs have been ordered for No left turns on James, Warren, and Hudson. The TWG has been disbanded however the engineers are still working.

Meeting adjourned at 8:15 p.m.

The next meeting of the Safety Council will be Thursday, November 15, 2018.
