We had 2 new people join us today. We explained what we are about and discussed some of our ideas to plan for this year.

Ann is a graphic artist and will be happy to help us redo our pamphlet. She also discussed with us her ideas to bring a creative art program for seniors either with Anne's program or as a project for us to per-sue.

At our next meeting we will discuss this further.

I welcome Eileen and Ann to be part of our committee.

I'd like to discuss our Spring event in October so please think of topics we would like to include.

The dates of our meetings will be 10/23,11/27,1/22,2/26 3/26,4/23,5/28,6/25.

These dates can be amended as needed.
