Hi all!

We had a good meeting discussing our 4/20 event.

We are calling it Spring Awakening and will hopefully have 3 venues.

A speaker who will discuss fall prevention, an exercise class to get us moving and a spring art project with flowers.

Polly and Kate gave us some idea of what they would like to do for projects next fall which includes a survey to the community on "What I would like to see or happen".

Our next meeting is 3/26 at 5.
