

The Hastings Village Arts Commission

2022 Annual Review to the
Village of Hastings Board of Trustees
April 2023

The Hastings Village Arts Commission promotes and stimulates interest and participation in Village Wide events in public venues. That includes exhibitions in the Village Hall Gallery, outdoor sculpture on the lawn in front of the library, the streetscape of the Village and stores and businesses. We work not only with the Village but with the schools, private concerns, individuals and other community groups such as the Hastings Historical Society and River Arts. We promote and encourage interaction and exposure and interest in the Arts.
