

ADDENDUM NO. 1

May 5, 2023

**PROJECT: 2023 Curb Installation and Replacement Contract
Village of Hastings-on-Hudson**

Contractors bidding the referenced project are advised of the following revisions to the Bid Documents.

- 1) **REMOVE** page C-5 and **INSERT** page C-5 (Add #1), attached.
- 2) **REMOVE** The Summary of Quantities and **INSERT** the revised Summary of Quantities attached

Below are questions submitted by bidders, followed by responses to the questions.

- 3) What is the average width we should estimate for the 5" thick concrete sidewalk? (Information needed to estimate productions / short loads etc.)

Response: The average width of the sidewalk shall be verified in the field but is estimated to be approximately 5 ft. This line item for concrete sidewalk shall include miscellaneous concrete walkways or pads needed for restoration.

- 4) Please provide street names for where the 5" thick concrete sidewalk will be installed?

Response: This line item for concrete sidewalks shall include miscellaneous concrete walkways and pads, as well as concrete needed for restoration behind the curb. Concrete sidewalks 5" thick will be installed on the following streets:

- Ardsley: Lakeview Avenue and Powderhorn Road
- Hastings-on-Hudson: Prince Street, Curry Road, and Ronny Circle
- Tarrytown: Sheldon Avenue

- 5) Please provide street names for where the 7" thick concrete sidewalk will be installed?

Response: This line item for concrete sidewalks and/or aprons shall include miscellaneous concrete walkways and pads, as well as concrete needed behind the curb for restoration. The street names will be provided post bid.

TOTAL BASE BID						

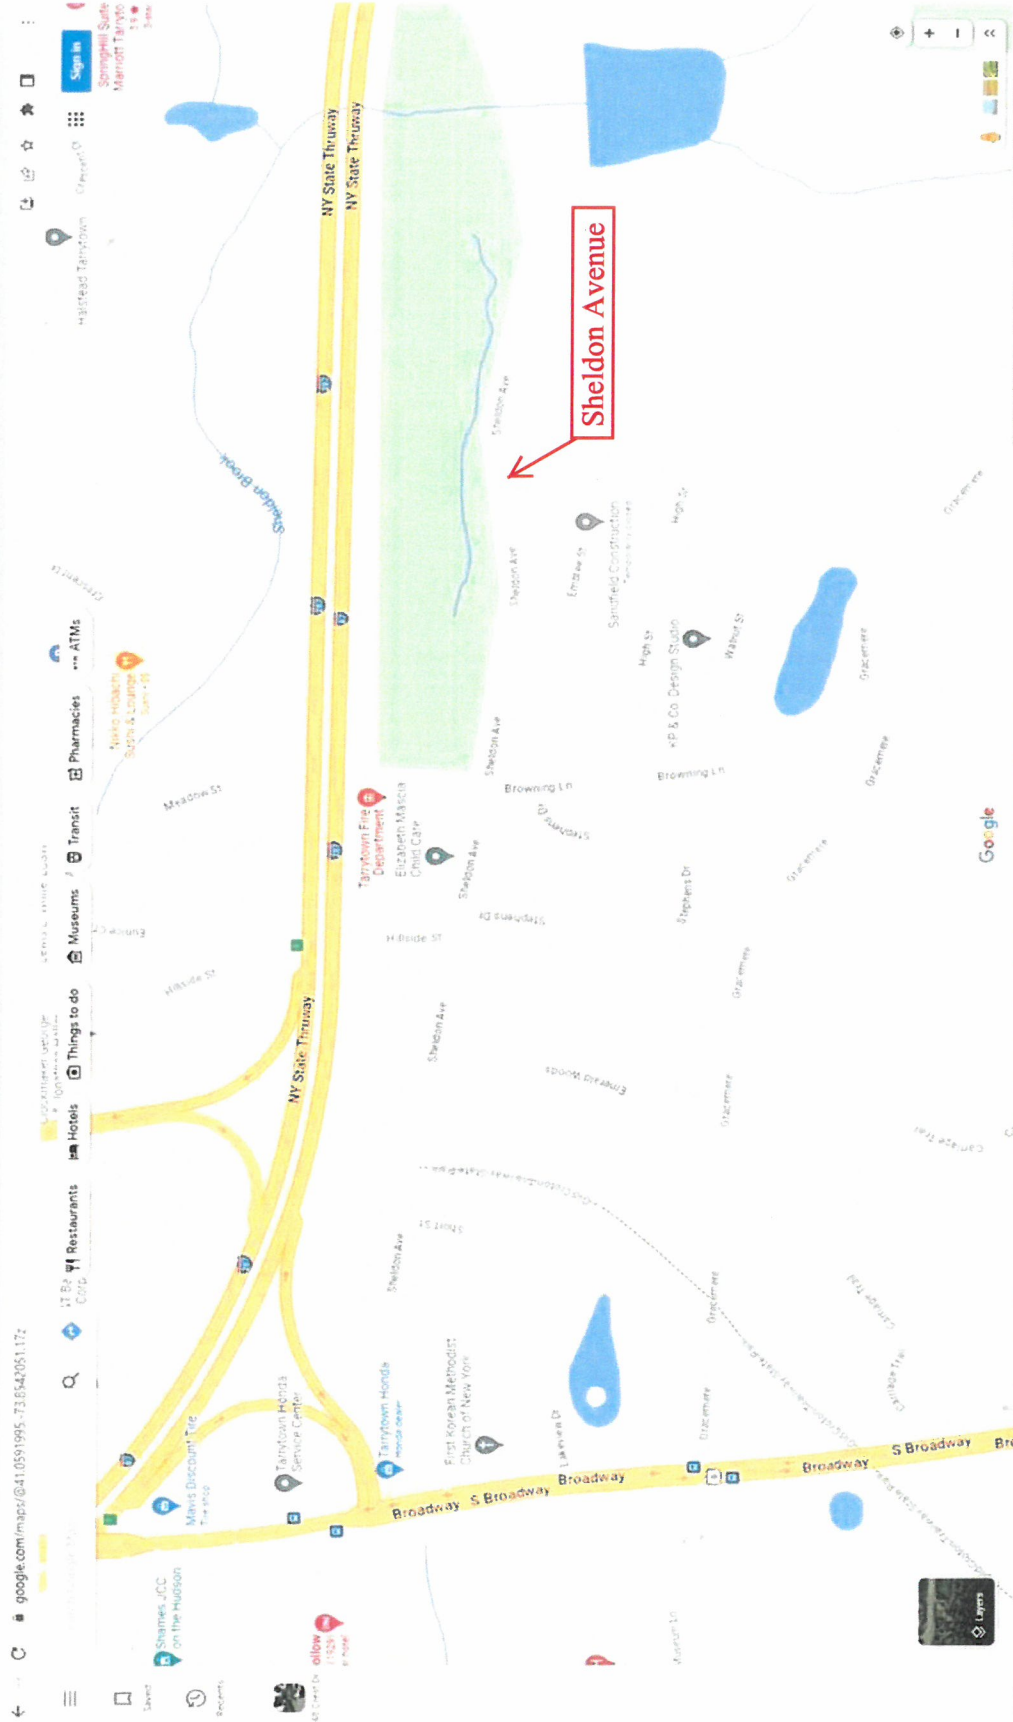

Note: Unit prices are to be written in both words and numbers. In case of discrepancy, those shown in words shall govern. All prices are in dollars and cents.

The total bid shall be the sum of the extensions (unit price multiplied by estimated quantity, for each item). It is stated here only as a convenience for comparison of bids. If there are any errors in addition or multiplication, the unit prices for each item shall govern, and the bid comparison will be made on the basis of correct arithmetic applied to these unit prices. In case of a discrepancy between the unit price in words and the unit price in numbers, the unit prices in words shall govern. The estimated quantities are not guaranteed and are only for bid comparison purposes and final payment will be made for actual quantities regardless of the estimated quantities contained herein. The contractor is further advised that the estimated quantities shown in the Bid Sheets may be reduced or deleted in order to ensure that this Contract can be completed within the budget established for this work. In the event that certain work is deleted or reduced, the Unit Price Bid shall remain in effect for this work.
