Below are questions submitted by bidders, followed by responses to the questions.

1. *Please advise on amount if any of liquidated damages.*

The contractor shall be liable for and shall pay to the Village the sum of One Hundred Dollars and Fifty (\$150.00) as fixed and agreed liquidated damages for each calendar day of delay from the above stipulated completion date until such work is satisfactorily completed and accepted. It is understood that longer than normal lead times will most likely delay the start date. The contractor shall not be responsible for delayed start date due to lead times for material. Prior to acceptance of low bidder, the contractor shall notify the Village lead times on material.

2. *Please advise on the length of warranty/guarantee time.*

The contractor shall be responsible for a one-year warranty.
