The Coast Guard is considering establishing new anchorage grounds in the Hudson River from Yonkers, NY, to Kingston, NY. The Federal Government is considering this action after receiving requests suggesting that anchorage grounds may improve navigation safety along an extended portion of the Hudson River, which currently has no anchorage grounds, allowing for a safer and more efficient flow of vessel traffic. The US Coast Guard is seeking comments and information about the operational need for new anchorage grounds and what form possible regulations should take.

Docket ID: USCG-2016-0132
Agency: Coast Guard (USCG)
Parent Agency: Department of Homeland Security (DHS)
Summary: Anchorage Grounds: Hudson River, NY
