The Village of Hastings-on-Hudson is committed to fostering, cultivating and preserving a culture of diversity and inclusion.

Our human capital is the most valuable asset we have. The collective sum of the individual differences, life experiences, knowledge, inventiveness, innovation, self-expression, unique capabilities and talent that our employees invest in their work is a significant part of not only our culture, but our reputation and achievements as well.

We embrace and encourage our employees’ differences in age, color, disability, ethnicity, family or marital status, gender identity or expression, language, national origin, physical and mental ability, political affiliation, race, religion, sexual orientation, socio-economic status, veteran status, and other characteristics that make our employees unique.

The Village does not discriminate with regard to recruitment and selection; compensation and benefits; professional development and training; promotions; transfers; layoffs and terminations. We support the development of a work environment built on the premise of gender and diversity equity that encourages and enforces:

- Respectful communication and cooperation between all employees.
- Teamwork and employee participation, permitting the representation of all groups and employee perspectives.
- Employer and employee contributions to the community we serve to promote a greater understanding and respect for diversity.

All employees of Hastings-on-Hudson have a responsibility to treat others with dignity and respect at all times. All employees are expected to exhibit conduct that reflects inclusion during work, at work functions on or off the work site, and at all other Village-sponsored and participative events and when dealing with the public. All employees are also required to attend and complete annual diversity awareness training to enhance their knowledge to fulfill this responsibility.

Any employee found to have exhibited any inappropriate conduct or behavior against others may be subject to disciplinary action.

Employees who believe they have been subjected to any kind of discrimination that conflicts with the company’s diversity policy and initiatives should seek assistance from a supervisor or the Village Manager.
