**MARINE ENGINEERING CONSULTANT FOR SHORELINE EROSION REMEDIES IN
MACEACHRON PARK IN THE VILLAGE OF HASTINGS-ON-HUDSON**

August 9, 2021

Addendum #3

Questions:

1. Are there M/WBE or SDVOB goals associated with this contract?
2. The RFP "Scope of Services" notes a series of 9 meetings. Please confirm those items are the actual scope of the project, and not only meetings to discuss the items.
3. Will the Site Visit sign-in sheet be made available to prospective bidders in a future addendum?
4. Is it a requirement that the selected firm be a NYS professional services firm (PLLC, PC, DPC, etc)?

Responses:

1. There are no M/WBE or SDVOB goals associated with this contract.
2. The Scope of Services includes both meetings and other outlined tasks.
3. See below list of firms present for the site visit on August 2, 2021:

Firm
McLaren Engineering Group
Mott MacDonald
Weston & Sampson
Matrix New World

4. The Village will consider all qualifications presented when reviewing proposals.
