Dear Residents,

The Board of Trustees completed the budget review process on Tuesday night and approved a budget, with a concurrent tax rate for the next fiscal year (June 2013 through May 2014) that represents a 2.34% increase over last year. This translates into an additional \$94.72 in taxes annually for the typical homeowner (assuming an average house assessment of \$16,900).

This is the second budget passed in compliance with the New York State tax levy cap. The tax levy is the overall increase in revenues (property taxes, sales taxes, state aid and otherwise), necessary to meet increased costs. While the State's tax levy cap is ostensibly set at 2%, the state makes exceptions when pension increases are substantially above 2% (they were) and if a village raised its levy substantially less than 2% in the last budget cycle (we did). Theoretically, under State law, we were permitted to raise the levy as high as 3.8% - our tax levy increase, rather, was 2.29%. We will point with some pride in producing the lowest tax increase of any Rivertown village that did not raid their fund balance to bring down their rate.

As a point of reference, your village tax (on average now a little over \$4,100) is approximately 21 % of the total property tax bill that you pay as a resident of Hastings-on-Hudson. School taxes comprise 66%, County taxes 11 % and Greenburgh town taxes are about 2%. Each of these four tax entities are overseen separately by different boards. Our responsibility as the Board of Trustees of the Village is to oversee the operations and services that are provided by the Village, and the resulting tax rate based on the cost of delivering those services. Your village taxes pay for Police, Fire and Ambulance, Department of Public Works (garbage, recycle, snow removal, storm clean-up, etc. and the maintenance of over 28 miles of roads)(though some, like Farragut and Broadway, are maintained by other entities), Park Maintenance, Recreation Programs (Seniors and Youth, Pool), Building Department (permits and zoning codes), the Village Court, Village Hall Administration and the Library.

We continue to improve our financial position. Our reserve fund, now at \$748,240, is likely to grow to around \$900,000 by the close of this fiscal year, ahead of our projections. This is well on the way to our target of \$1,300,000 based on a standard recommended amount. This remains a major accomplishment given the continuing troubled fiscal environment.

Like the last few budgets, this one was again created in an environment of depressed revenues, with a number of our larger expenses escalating out of our control. The total budget, at \$13,609,361, increased \$243,117 over the previous year. Just three items consumed *all* of the tax increase we just passed:

Insurance (increase of \$139,900): Health and other insurance costs rose over 8% this year.

Pension Costs (increase of \$60,867): Certain pension costs increased by a little more than 9%, considerably less than last year's 22.1 %, but still more than the cap provides.

Fire Hydrant Rental (increase of \$45,000): The water company own them and we, believe it or not, "rent" them and now will pay nearly a quarter of a million dollars a year for this privilege after an eye-watering increase of 24%.

The actual department budgets were generally stable: the police went up a bit, the rest went down a bit. We've set aside a contingency fund this year of \$220,000, the same as last year. We also set aside some money for Comprehensive Plan implementation, LED bulb replacement and other small initiatives.

These remain tough times: the downward pressure of the tax cap meets the upward pressure of mandated costs increasing faster than 2%. The result is continuing pressure on our department staff to cut costs and try to maintain services despite decreased funding. Our biggest challenge will remain staying within budget constraints in a world of mandates imposed from elsewhere. As we have pared staff back as far as we can without sacrificing services, we need to get ever more creative to manage this balancing act. That will involve sharing services with other communities as well as other ways to stretch our dollar while providing the level of service residents expect.

We are grateful to Village Manager Fran Frobel and Deputy Treasurer Rafael Zaratzian for their hard work during the budgeting cycle. Trustee Armacost, as the Board lead on this issue, continues to do heavy lifting. Finally, thanks go to all the department heads and staff who are engaged in this process and manage to exercise care in spending public funds with the trust endowed them while continuing to provide increasing services to the Village.

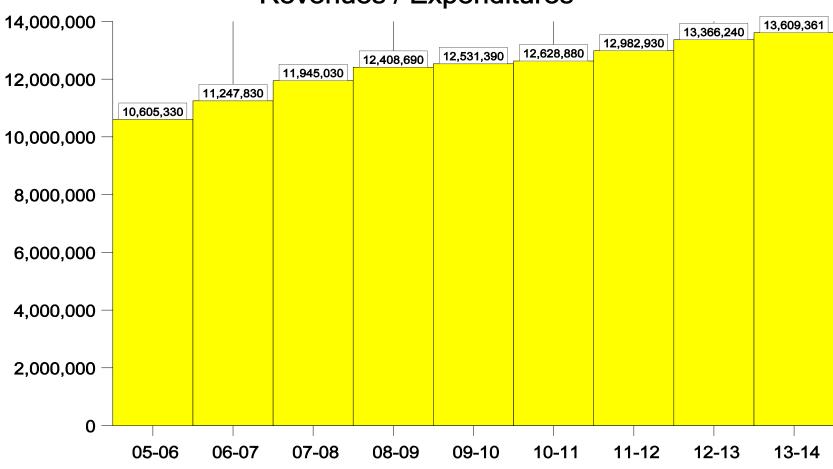

Thank you,

Peter Swiderski

PROGRAM DESCRIPTION

The Board of Trustees is the legislative body of the Village. The Board establishes policy, enacts laws, approves contracts, adopts the Village budget, and engages in other activities as required by State or local law. The Board is composed of a Mayor and four Trustees elected at large for two-year staggered terms. Personal services represent the Trustees' salaries at \$2000/ year.

Contractual expenses within this program include travel and other miscellaneous expenses. Recently enacted state law requires the members of the Planning Board and the Zoning Board of Appeals to participate in a minimum of four hours per year of training and continuing education. The Board of Trustees has self-imposed a similar requirement upon newly-elected members of the Board of Trustees. The budget offers funding to permit that opportunity.

PROGRAM DESCRIPTION

This function is responsible for exercising control over various financial aspects of Village operations through the accounting process. The Treasurer supervises the treasury and fixed accounts of the Village. The duties include the handling of all investments of public funds, administering of the Village debts, and arrangement of Village bond sales. The program is staffed by the Assistant Treasurer, Payroll Clerk and a Bookkeeper assigned part-time at approximately twenty (20) hours per week. Contractual expenses are for outside independent audits, implementation of GASB 34, quarterly audit of accounts and maintenance of office equipment. Treasury duties presently are shared among the Village Manager, Deputy Manager and Deputy Treasurer. Presently, staff is exploring the need for retaining supplemental part-time (on call) staff to assist in offering oversight with regard to financial management and, perhaps, shared treasurer functions with a neighboring community.

Payroll services are now provided by an outside service. The goal is to provide improved efficiencies; labor costs will then change.

PROGRAM DESCRIPTION

This program is responsible for conducting field inspections on properties and making recommendations as to a fair and equitable assessment of all taxable properties in the Village. In addition, the Assessor appears at hearings of the Board of Assessment Review and Small Claims filings. Personal services are budgeted to pay the part-time Assessor. Contractual expenses represent supplies and materials.

Presently, efforts are underway to consider conducting a town-wide property reevaluation. If conducted, this project will result in modification to the values placed upon properties. It is the first step in an effort to remove inequalities believed to exist throughout the present system.

PROGRAM DESCRIPTION

This budget represents various expenses applicable Village-wide. ETPA is budgeted at \$4,000 payment to N.Y.S. Housing and Community Renewal as required by law. The contingency fund represents unanticipated expenses and growth for the fund balance. The cost of the annual report (calendar) is reflected in this account. Funding is included for the employee assistance program designed to provide a referral service for personal needs for our employees and their families.

PROGRAM DESCRIPTION

The Police Department is the law enforcement section of the Village government. Primary activities include the prevention and detection of crime, enforcement of the traffic laws, answering calls for assistance and other special assignments. The Village continues to have one of the lowest crime rates in Westchester county according to FBI statistics.

Authorized staffing includes one (1) Chief, one (1) Lieutenant, four (4) Sergeants, two (2) Detectives, and thirteen (13) Police Officers. Also included is the cost of the school crossing guard program at five (5) locations.

Contractual expenses include vehicle maintenance and operation, teletype expenses, travel, tuition, office supplies, uniforms, physicals, training and leased vehicles.

PROGRAM DESCRIPTION

This program provides expenses relating to signs and line painting for traffic and parking.

All crosswalks are painted when needed. Plans include use of an outside painting contractor to perform the work for the Village. Use of the Village's line striping machine has proven to be unreliable.

Through the use of an outside vendor, we can be assured that our road striping will be done in a timely manner. This program cost has been transferred to the Department of Public works street maintenance.

PROGRAM DESCRIPTION

This program is responsible for the enforcement of parking, maintenance of meters and collections. It is staffed by a part-time meter repairman and 3 part-time Parking Enforcement Officers. Future plan includes funding capital outlay with money to continue the process of retrofitting the mechanical and electronic parking meters with a new coin receptor. This will ease the collecting of coins from the meters.

The user will not experience any change in the use of the meter, which will improve in the speed and security of the collection process.

Presently, the staff is preparing plans to implement on a trial basis the ability of the user to pay the meter (at the commuter lot) through an application on the cell phone. This will permit the Village to remove parking meters and relocate to other locations. The customer will enjoy a faster, reliable ability to pay the meter.

PROGRAM DESCRIPTION

This program represents the rental of 231 hydrants from United Water Company for fire suppression activities. This cost falls disproportionately upon the taxpayer. Efforts are underway to place the cost of this service upon the water users (not just property tax payers). Non-profits should share in this expense. Fire suppression is provided to everyone, and the cost to maintain fire hydrants should be fairly shared by everyone. This cost has risen in excess of 50% over just the past five budget cycles.

This program is responsible for the operation and maintenance of all Village street lights accomplished through contract with New York Power Authority for power and Village forces for maintenance activities. Contractual expenses include cost of electricity, maintenance of vehicles and street lighting fixtures. The equivalent of a .5 employee is assigned to this function. Our ongoing replacement of street lights with energy efficient fixtures has resulted in reduced power costs.

Plans include the replacement of all street lights with energy efficient lamps. Already we have seen a reduced usage with the conversion of 75+ lamps. We have been told to budget for an increase in the cost to provide electrical service (ConEd) while the cost to purchase electricity (NY Power Authority) has stabilized the rate.

PROGRAM DESCRIPTION

full-time employees are assigned to this function.

This program is responsible for the collection and disposal of refuse pick-up in the Village on a once-a-week basis, weekly recycling pick-up, weekly bulk pick-up year-round, a Saturday truck for bulk and garbage parked at the DPW garage and the Village's yard waste collection program. Over the next budget cycle, staff will explore the advisability of reducing the number of weeks the Saturday service is available.

It is expected that the Village will collect approximately 3,600 tons of refuse and dispose of approximately 1,275 tons of recyclable materials. Additionally, the Village collects 4,450 cubic yards of yard waste.

These numbers have remained steady over the past several years. Major contractual expenses include garbage/bulk disposal fees (\$26.68 per ton), equipment operation and maintenance, and supplies. Nine (9)

The Village currently recycles a high percentage of its waste, saving taxpayers the tipping fee. There are ongoing efforts to improve the level of participation in the recycling program.

This program, initiated in 1991-92, is staffed by a part-time Senior Outreach Worker and provides counseling and assistance to senior citizens on issues relating to housing, landlord/tenant relations, transportation, health and taxes. New to the program in 2006 was Village participation in the Senior Citizens Rent Increase Exemption Program and the Disability Rent Increase Exemption Program. Both of these programs are intended to assist persons meeting age, income, and disability criteria.

The Senior Outreach Worker continues in an effort to seek out programs to benefit and address quality of life issues for the Village's senior population.

The Board-appointed Senior Citizen's Advisory Committee has resulted in program development for our aging population and an increase awareness of problems encountered by our Senior Citizens.

PROGRAM DESCRIPTION

This program covers direct employee benefit expenses attributable to the General Fund. Program costs reflect notifications from New York State of retirement and workers' compensation rates and anticipated rates for health insurance and social security.

Overall, the cost of providing health care has risen faster than the cost of living. Much has been written about the problem, but little has been accomplished to effectively stem the cost. Employee awareness and cost sharing will help. However, unless systemic changes are made, these costs will continue to rise. For next fiscal year, we have anticipated a 10 percent rate increase for the cost of medical and dental insurance.

PROGRAM DESCRIPTION

This program provides for the operation and maintenance of the 9.9 acre Draper Park, acquired in 1989.

Expenses represent grounds maintenance, insurance, taxes and supplies. Periodically an outside architect is hired to review the exterior of the properties owned by the Village, but leased to owner at the park.
