**Addendum #2
February 16, 2023**

This addendum answers one question regarding bidding and extends the due date for the bid.

Question: If a contractor attended the walkthrough from the first iteration of the bid in 2022, but not the walkthrough for the second iteration in 2023, is the contractor able to bid on the project?

Answer: Yes. As the project has not changed materially, the contractor will be allowed to bid on the project at this time.

The bid due date is extended to Friday, February 24, 2023 at 11am. Bids are still due either in sealed hardcopy or online via BidNet.
