Chess:  Grades: K-4  Instructor: NSCF Chess
Learn to play the Royal Game!! This activity is open to all levels of play, from those who know nothing about the game to those who are experienced players. Learn how to move the different pieces and how to develop an opening, mid – game, and end game.

Cupcake Decorating: Grades: K-4  Instructor: Recreation Staff
Kids will have the opportunity to decorate cupcakes that resemble animals, food, and other fun designs. Children will combine store bought candy and edible decorations to turn ordinary cupcakes into creative treats.

Global Culture & Crafts: Grades: K-2  Instructor: Blendid
This class focuses on a country’s fun facts with children’s storytelling and circle time. Crafts are designed to develop students’ creativity, and fine motor skills while they explore, observe, create, ask questions, and solve problems.

Outdoor Adventure: Grades: K-4  Instructor: Recreation Staff
Get out and enjoy Hillside Woods. Students will go on a scavenger hunt, fishing, hiking, and learn the art of marshmallow roasting! These are just a few of the fun activities they will truly enjoy.

Ready, Set, Let’s Play-Doh: Grades: K-4  Instructor: Recreation Staff
We’ll spend our classes getting creative together: Rolling, cutting, shaping, and learning about color mixing. We’ll craft imaginative play-doh creations such as: sports, food, animals, and holiday objects. And of course, take our play-doh home at the end of our last class.

Sports & Games: Grades: K-4  Instructor: Recreation Staff
Join this exciting new class where every week will be a new and exciting game. Each class students will play a different game or explore a different sport. Some examples are tag, kickball, soccer and much more.

Spring into Crafts: Grades: K-4  Instructor: Recreation Staff
Students will enjoy doing fun crafts that will help welcome the Spring. From Spring showers to May flowers, students will explore all that spring has to offer through crafts.

The Magician's Apprenticeship: Grades 1-4 ONLY  Instructor: Barbara Magic of Hocus Pocus Magic
Apprentice yourself to a world-class magician! Learn the basics of magic including cards, coins, ropes and much more. The small group approach to instruction will ensure that you’re on your way to magical fame. Includes all necessary tricks and props, which are yours to keep (retail value $300).

Wacky Science: Grades: K-4  Instructor: Recreation Staff
Each week students will make some crazy concoctions and silly fun recipes. Some of their creations will be edible, and some will not; all will be fun! Creations will be nontoxic and made with easily found ingredients.
