

VILLAGE OF HASTINGS-ON-HUDSON

Municipal Building
7 Maple Avenue
Hastings-on-Hudson, New York 10706

19 April 2021

Architectural Design Services: Village Hall

Addendum #5

Responses to Additional Questions

Regarding task 1C-d – Develop additional climate- and access-controlled storage in the unexcavated areas under the west portion of Village Hall.

Please provide further information on this, including:

- 1) Does this scope entail excavation and construction under a portion of the existing building?
 - a. Yes
- 2) If so, is there documentation on the existing building foundations?
 - a. Yes. This will be made available upon award of contract.
- 3) Is there documentation or are there reports as to existing subsurface conditions, or will such reports be commissioned?
 - a. There is no documentation as to existing subsurface conditions. A report to be commissioned will be considered, if necessary.
- 4) How large of an area is expected to be developed?
 - a. Please refer to Addendum #2 available on BidNet or at the link below:
