We had a lively discussion with Lynn Reichgott President of The Center for Aging In Place which is organized by communities and provides opportunities for seniors who want to stay in their homes and present community.

It is based on individual needs and is private not for profit. There is an annual membership fee and various programs and services are offered.

Information and a brochure was passed out for us to have further discussions.

We took a vote to appoint 2 new chair people for our Sr Council in the fall.

It was a unanimous vote for Kate Washton and Polly Bijur including the members who were not there as they voted by e mail.

We discussed having a table at the Spring Thing last week and agreed that our presence there was positive. Amy made beautiful signs we can continue to use. Thank you Lauren Polly and Kate for manning the tables.

We will follow up on the questionnaire sent to seniors about computers and what they would like to have.

We will have our last meeting before summer at Margie's house on Tuesday June 25th at 5 and will have our pot luck 🍲 dinner. Margie lives on Edgewood Ave a few houses down from Hillside School.

Margie please send me your number address.

I will transition my chair position to Kate and Polly and we will discuss a change in the time and day of the meeting as well as other thoughts and ideas.

Margie has offered to provide desert and drinks so we will need some appetizers and main dishes.

Please e mail me with your contributions.

Everyone have a wonderful Spring and be well.

On that note we all wish Nancy a speedy recovery and will miss you at our meeting. Nancy please know that we all wish to help you in whatever you need to make you comfortable

See you all on June 25th!
