Members of the Public

TWG Presentation

- Amy Lamberti briefly recapped the work of the TWG over the past two years.
- Jeanette Sawyer Cohen took the group through highlights of the traffic survey.
- Matt Hobby took the group through School Zone signage safety.
- Richard Bass took the group through crosswalk issues, and Warburton re-paving suggestions given to the county by Village, striping issues, and introduced Sam Schwartz's examination of James Sreet, Ravensdale, and the intersection in front of the Village Hall.

Sam Schwartz Presentation

Engineer Lou Luglio discussed suggestions for improving safety around the middle and high schools, and more briefly, Ravensdale and James Street.

Trustee Lopez's Update

Trustee Lopez handed out a list of people in the village for residents to contact to urge implementation of safety suggestions.

Trustee Lopez to send a link to attendees to village website where all current suggestions from the TWG are available to see.

Questions & Answers

The TWG group fielded questions from the group.

Trustee Lopez replied to question on timing. She mentioned that money is available to get work done, and that is her goal to get the crosswalks/striping implemented as soon as new paving is completed. And the new signage as soon as possible, requiring coordination with Greenburgh. Trustee Lopez also mentioned that Sam Schwartz will be looking at some new areas of concern as well.

Next meeting

The next TWG meeting will be held at 7:30-9:30 pm on Tuesday, May 22, 2018.

ADJOURNMENT

Meeting adjourned at 8:40 p.m.
