This new program is a service learning program for kids. It will offer fun interactive workshops, games and activities designed to prepare “tweens” to volunteer and or work in a camp/pool environment in the future. Workshops will include planning and leading games, American Red Cross Community CPR and Junior Lifeguarding, WSI Aide training as well as therapeutic recreation awareness. Participants will then have the opportunity to plan activities and practice their skills with our Little Splashers and Hillside Camp program.
