

# Early Learning Camp

Dear Families,

Monday July 1<sup>st</sup> will start another great summer at the Early Learning Camp. We look forward to meeting you and your children. When you come to camp you will be greeted at the door by the Early Learning camp directors Ginger and Lori. Once you have checked in with them you will walk your children to their camp group. Our groups are used mainly as checkpoints for safety and organization. Do not worry if your child does not know anyone in their group, as we all share a room and play together throughout the day. Once the children have checked in with their counselors and dropped off their things, they will begin their day of fun. The following is a list of things the children will need for camp.

## **Drop off in the Hillside school café**

- **A bathing suit. We have water play every day. Changing can be very time consuming with our large group. It is extremely helpful if children come dressed in their suits.**
- **A towel for water play.**
- **A change of clothing kept in their bag. Accidents and spills can happen to anyone.**
- **Lunch and snack. Please try to send healthy lunches and snacks for children, and plenty of water! We do have a refrigerator that lunch bags will be kept in. We will not have the opportunity to heat/cook lunches.**
- **Please remember to put sunscreen on the campers as we spend much time outdoors.**
- **Camp runs July 1<sup>st</sup> thru August 9<sup>th</sup>**

Please be sure to put your child's name on all of his/her belongings. We ask that the campers not bring toys to camp unless it is a special camp share day. We will have any toys that are brought kept in backpacks.

We can not be responsible for lost and broken toys that the children bring.

For our campers' safety we must be notified of changes in pick up. We will not release children to anyone that is not on their pick up list without parent authorization. In the case of a last-minute change, please call the camp office with your new pick up information. Each day the children will take part in play both in our room, and outdoors. They will hear stories and take part in projects. We are also very lucky to take part in special camp activities each day, Please check your Early Learning Calendar for details. We have a wonderful summer ahead of us!

See you soon,  
Ginger & Lori
