INDEPENDENT AUDITOR'S REPORT

To the Mayor and Members
of the Village Board
Village of Hastings-on-Hudson
Hastings-on-Hudson, New York

Report on the Financial Statements

We have audited the accompanying financial statements of the governmental activities, each major fund, and the aggregate remaining fund information of the Village of Hastings-on-Hudson, as of and for the year ended May 31, 2016, and the related notes to the financial statements, which collectively comprise the Village's basic financial statements as listed in the Table of Contents.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free of material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express opinions on these financial statements based on our audit. We conducted our audit in accordance with accounting principles generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Opinions

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities, each major fund, and the aggregate remaining fund information of the Village of Hastings-on-Hudson, as of May 31, 2016, and the respective changes in financial position, for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Change in Accounting Principle

As described in Note 1 to the financial statements, the Village implemented Governmental Accounting Standards Board Statements No. 68 and 71, which improve the usefulness of pension information and enhance its value for assessing accountability and interperiod equity by requiring recognition of a net pension asset or liability and a more comprehensive measure of pension expense. Our opinion is not modified with respect to that matter.

Other Matters*Required Supplemental Information*

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis and required supplemental schedules on pages 3 through 16 and 63 through 69 be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Other Information

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the Village of Hastings-on-Hudson's basic financial statements. The other supplementary information on pages 70 through 72 are presented for purposes of additional analysis and are not a required part of the basic financial statements. The major fund financial statements have been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, is fairly stated in all material respects in relation to the basic financial statements taken as a whole. The other supplementary has not been subjected to the auditing procedures applied in the audit of the basic financial statements and, accordingly, we express no opinion on them.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated October 3, 2016 on our consideration of the Village's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of the audit performed in accordance with *Government Auditing Standards* in considering Village of Hastings-on-Hudson's internal control over financial reporting.

MANAGEMENT'S DISCUSSION AND ANALYSIS
MAY 31, 2016**

The following is a discussion and analysis of the Village of Hastings-on-Hudson's financial performance for the year ended May 31, 2016. The Village of Hastings-on-Hudson discussion and analysis is designed to (a) assist the reader in focusing on significant financial issues, (b) provide an overview of the Village's financial activity, (c) identify changes in the Village's financial position (its ability to address the next and subsequent year challenges), (d) identify any material deviations from the financial plan (the approved budget), and (e) identify individual fund issues or concerns.

This section is a summary of the Village's financial activities based on currently known facts, decisions, or conditions. It is also based on both the government-wide and fund-based financial statements. The results of the current year are discussed in comparison with the prior year, with an emphasis placed on the current year. This section is only an introduction and should be read in conjunction with the Village's financial statements, which immediately follow this section.

FINANCIAL HIGHLIGHTS

- The assets of the Village of Hastings-on-Hudson exceeded its liabilities at the close of the fiscal years 2016 and 2015 by \$3,709,058 and \$5,429,346 (net position) respectively.
- Revenue, as reflected in the governmental funds statement, increased by \$431,102. This increase is primarily attributable to an increase in Departmental Income of \$246,363.
- The General Fund ended the year with actual revenues exceeding the budget by \$379,090.
- At the end of the current fiscal year, unassigned fund balance for the general fund was \$1,824,320 at 12.66% of the total general fund expenditures.
- During the year the fund balance of the General Fund increased by \$266,199.

OVERVIEW OF THE FINANCIAL STATEMENTS

This annual report consists of three parts: MD&A (this section), the basic financial statements, and required supplementary information. The basic financial statements include two kinds of statements that present different views of the Village:

- The first two statements are *government-wide* financial statements that provide both short-term and long-term information about the Village's overall financial status.
- The remaining statements are *fund financial statements* that focus on individual parts of the Village, reporting the Village's operations in more detail than the government-wide statements. The fund financial statements concentrate on the Village's most significant funds.
- The *government fund statements* tell how basic services were financed in the short term as well as what remains for future spending.
- *Fiduciary funds* statements provide information about the financial relationships in which the Village acts solely as a trustee or agent for the benefit of others.

The financial statements also include notes that explain some of the information in the statements and provide more detailed data. The statements are followed by a section of required supplementary information that further explains and supports the financial statements with a comparison of the Village's budget for the year.

Figure A-1 summarizes the major features of the Village's financial statements, including the portion of the Village's activities they cover and the types of information they contain. The remainder of this overview section of MD&A highlights the structure and contents of each of the statements.
