PUBLIC SERVICE COMMISSION

CASE 19-M-0265 - In the Matter of a Program to Encourage Clean Energy in Westchester County Pursuant to Public Service Law Section 74-a.

NOTICE OF INFORMATIONAL FORUMS  
AND PUBLIC STATEMENT HEARINGS

(Issued June 4, 2019)

**PLEASE TAKE NOTICE** that public comment is sought regarding the establishment of a consumer awareness campaign to encourage the installation of renewable energy and energy efficiency resources in the county of Westchester. The recently enacted 2019 New York State Budget Bill amended the New York State Public Service Law (PSL) by adding a new section, 74-a. PSL §74-a requires the Public Service Commission (Commission) to, within 90 days of April 1, 2019, and in consultation with the New York State Energy Research and Development Authority (NYSERDA), establish a program to encourage the installation of renewable energy resources and energy efficiencies in the county of Westchester. In furtherance of that effort, the Commission requested that NYSERDA file a description of the proposed consumer awareness campaign and sustainable and clean energy workshop program, including a description of coordination with Consolidated Edison Company of New York, Inc., and Westchester County. NYSERDA filed its program, "NYSERDA Westchester Clean Energy Awareness and Workshop Proposal," on May 24, 2019.

NYSERDA's proposal may be obtained by visiting the Department of Public Service website, [www.dps.ny.gov](http://www.dps.ny.gov), then clicking the "Search" link on the upper center area of the page, then using the "Search by Case Number" feature, to search for case "19-M-0265."
