Question:

Subject: Re: Landscaping RFP

Based on the pricing for the last awarded contract that was posted on bidnet. Is the scope of work in the present RFP the same as the 2015-2017 contract for \$65,500/yr? Lastly, was that contract(2015-2017) under prevailing wage rates?

Thank you for your time.

Answer:

The scope of work is for the same locations and mostly the same maintenance. We have added alternatives for electric equipment and some detail regarding how the work should be performed particularly with regard to mulching leaves in place and pollinator pathway spots in the Village.

Prevailing wage rates are required (see below). The previous bid was done under the prior administration and as such does not detail that exact criteria.
